K-12 Principal: Stephen Seelye  
Dean of Student: Patty Verbanac

## **School Annual Education Report (AER) Cover Letter**

April 21, 2016

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Wolverine Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Stephen Seelye, K-12 Principal for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/ueYY9R#NAEP> , or you may review a copy in the main office at your child's school.

State law requires that we also report additional information.

- Pupils are assigned to our school based upon the age and grade of the student.
- Wolverine Elementary School is moving forward on our multi-year School Improvement Plan (SIP), and we continue to make learning gains.
- There are no specialized schools within our district.
- The aggregate student achievement results for WCS can be found in the link provided in this cover letter.
- During Fall parent teacher conferences 86% of our students were represented by parents. During Spring parent teacher conferences 75% of our students were represented by parents.

Wolverine Community Schools is an outstanding place and we are very proud of the continued progress we make together. None of this would be possible without the continued support of our parents and community. We truly appreciate our strong partnership and we could not do it without you. Our staff and students are strongly committed to constant school improvement

and strive to get better each and every day. Should you have any questions regarding this Annual Education Report or anything else regarding our school please do not hesitate to contact me.

Regards,

Stephen C. Seelye  
K-12 Principal
