**XI. MS/HS PRINCIPAL'S REPORT:** Mark Slotman shared that the Teachers have the remainder of the year's Priority Standards mapped out. The next step is to create standards based on assessments. April's Focus is on Integrity. Owning the truth even when it's hard. Mark is hosting a community meeting regarding the results of the survey. April is a huge testing month for students and for athletics, waiting for the snow to melt.

**XII. SUPERINTENDENT'S REPORT:** Shout out to Todd and Sarah Kallman who donated \$15,000 to provide greater CTE & Dual Enrollment opportunities for the students beginning next school year. Matthew is still working on logistics for how this donation will be used. The Cafeteria staff held a coloring contest for the students and the Elementary School Student Council members held a meeting to discuss how to share the goal of the month to reduce office referrals and win a school field trip. Matthew advised that positive community feedback was received for the collaboration efforts from high school and elementary art for Plushy. GSRP held it's annual Fashion Show which was a great success. The school is looking into partnering with the county to improve recycling and waste management. The Elementary parent survey meeting is scheduled for April 23, 2026 from 5:30-7pm. The state audit was completed and the school was ordered to create a pest management program which required a notice to be sent to all families. In addition to the notice, the school must halt the use of mice and ant traps and Damon had to complete a course and become certified. Lastly, DALMAC requested the use of our facilities during their annual bike trip.
