- B. Direct deposit of paychecks shall be made available to each teacher upon signed authorization to deposit their salary in the financial institution of his/her choice, subject to the rules and regulations of such institution.

SECTION 1.6 – GRIEVANCE PROCEDURE

A. Definitions:

1. A grievance is an alleged violation, misinterpretation or misapplication of the express terms of this contract. A grievance may not be filed based upon layoff, recall, assignment/vacancies, evaluation, discipline, discharge, or prohibited subjects of bargaining.
2. The aggrieved party is the person, persons, or the Association making the claim.
3. The term teacher includes any individual or group who is a member of the bargaining unit covered by this contract.
4. A party of interest is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problems.
5. The term “days” shall mean school days unless otherwise stated.
6. Failure to receive a decision within prescribed time limits shall be deemed a refusal of grievance and the grievance may then be filed at the next level.
7. A teacher who must be involved in the process of a grievance because he/she filed the grievance or was witness to the said grievance, that teacher shall be excused from work with pay for this grievance processing purpose. This is to cover grievances, which cannot be heard other than during regular scheduled working hours.

B. Purpose:

The primary purpose of this procedure is to be secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the rights of any bargaining unit member with a grievance to discuss the matter informally with any appropriate member of the administration or proceeding independently as described in Section E of the procedures. Individual Grievants may not proceed beyond Level 5.

C. Structure:

The Association shall establish an Association Representative in each building that shall serve as the Association grievance representative. The administration shall be notified as to whom are the

Association Representatives. In the event that any Association Representative is a party of interest to any grievance, he/she shall disqualify her/himself and a substitute shall be named by the Association.

D. Procedure:

1. The number of days at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits may be extended only by mutual consent in writing. Days shall mean student days during the school year and work days (Monday-Friday) during the summer.

2. If the grievance is filed on or after June 1, the time limits shall be reduced in order to affect a solution prior to the end of the school year or as soon thereafter as is practicable.

3. Levels of Action

Level 1

In the event a teacher believes there is a basis for a grievance, the party shall discuss the alleged grievance with his/her supervisor and/or building principal within 15 days from when the grievance occurred or within 15 days of when said party would have had reasonable knowledge of occurrence.

Level 2

If the matter is not resolved during the informal discussion then the grievance shall be reduced to writing and filed with the principal. Within ten (10) days a formal conference shall be held.

Level 3

Within five (5) days of the formal conference the principal shall, in writing, render his/her decision to the aggrieved party. If the aggrieved party is not satisfied with the disposition of the grievance at Level 2 or if no decision concerning the grievance has been rendered within five (5) days after the presentation to the principal, then the grievance may be presented in writing to the superintendent.

Level 4

Within five (5) days of the receipt of the grievance the superintendent shall arrange for a conference with the grievant. Within ten (10) days of the receipt of the grievance by the superintendent, he/she shall render, in writing, a decision as to solution.

Level 5

In the event the grievant is not satisfied with the disposition of his/her grievance at Level 4 or if no decision has been rendered within ten (10) days of receipt of the grievance by the superintendent, the grievance may be referred to the Board of Education's Review Committee. This Committee shall be composed of three members of the Board and superintendent. Within ten (10) days of the receipt of the written referral to the Board, its review committee shall meet with the Association for the purpose of arriving at a mutually satisfactory solution to the grievance problem. A decision shall be rendered in writing within ten (10) days of the joint meeting of the grievance and Board Review Committee.

Level 6

If the Association is not satisfied with the disposition of the grievance or if no disposition had been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. The Association shall have 30 days to notify the superintendent that they are filing for arbitration. If the parties cannot agree as to the arbitrator within 5 calendar days from notification date that arbitration will be pursued, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceedings. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement.

The fees and the expense of the arbitrator shall be shared equally by the parties unless the Association grieves a prohibited subject then the Association shall be responsible for all arbitration fees.

The decision for the arbitrator will be binding on both parties and judgment thereon may be entered in any court of competent jurisdiction.

Arbitrator shall have no power to:

1. Hear the non-renewal, discipline or discharge of a teacher;
2. Hear any matter for which the State Tenure Commission has jurisdiction;
3. Review content of employee evaluations;
4. Rule on prohibited subject of bargaining.

E. Rights of Representation:

Any party of interest may be represented by the Association Representative at all meetings and hearings at any court of competent jurisdiction.

F. Miscellaneous:

1. A grievance may be withdrawn at any level without prejudice or record and the same grievance cannot be processed again. However, if in the judgment of the Association Representative, the grievance affects a group of employees, the Association may process the grievance at the same level within ten (10) days of withdrawal date.
2. The decision regarding either proceeding to next level or dropping claims or resolution/denials of the grievance shall be placed in writing to all parties as stated on the grievance form.
3. No reprisals of any kind shall be taken by or against any party of interest or any participant(s) in the grievance procedure by reason of such participation.
4. All documents, communications and records dealing with grievances shall be filed separately from the personnel files of the participants.
5. Forms for filing and processing grievance shall be in the Appendix of the agreement and the superintendent shall make copies available to the Association.

6. Access shall be made available to all parties, places and records for all information necessary to the determination of and processing of the grievance.
7. If the grievance affects more than one building then it may be filed directly with the superintendent at Level 4.

SECTION 1.7 – NEGOTIATION PROCEDURES

- A. It is contemplated that matters not specifically covered by this agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of this agreement. - B. In any negotiations described in this procedure, neither party shall have control over the selection of negotiation or bargaining representatives from within or outside the school district. SECTION 2.9 – DISCIPLINE OF TEACHERS

- A. Teachers are expected to comply with the written rules, regulations and directions adopted by the Board or its representatives which are not inconsistent with the provisions of this agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being or is professionally demeaning.

- C. No open conflict between administration and teacher shall take place in presence of students and/or any non-involved parties.

SECTION 2.10 – BOARD RIGHTS

The board on its own behalf and on the behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the Constitution and by the statutes of the State of Michigan, particularly the Michigan School Code, and by the Constitution of the United States, including, without limiting the generality of the right to establish policy for the executive management and administration control of the school system, to assign and direct all teaching personnel, to determine the services, supplies and equipment, to determine the size and jobs of management, to determine the qualifications of all employees as well as the methods and means necessary to the proper execution of the foregoing obligations provided that such rights shall be exercised in conformity with the provisions of this agreement, and subject to the provisions of the law. Nothing contained herein shall be considered to deny or restrict the board of its rights, responsibilities and authority under the Michigan General School laws or any other national, state, county, district or local laws or regulations as they pertain to education.

The provision of this agreement and wages, hours, terms and conditions of employment shall be applied in a manner which is not arbitrary, capricious or discriminatory and without regard to race, creed, religion, color, national origin, age, sex, marital status or personal life provided such activities do not interfere with or adversely affect the teaching duties.
- B. The teacher shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher, provided such activities do not interfere with or adversely affect the teaching duties.

SECTION 2.13 – PRIVACY RIGHTS OF EMPLOYEES

- A. The Board recognizes the employee's right to have the consideration of his/her dismissal, suspension, or discipline by the Board of Education in a closed hearing pursuant to the provision of the Open Meetings Act, at the request of the named employee.
- B. The Board further agrees that all employment records regarding dismissal, suspension, discipline, complaints, allegations, charges medical, counseling or psychological records, or personnel evaluations shall not be released to third parties absent the written consent of the employee or as required by law. - B. It is recognized that discipline problems are less likely to occur in classes that are well taught and where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. However, a teacher may use force as limited by State Law.
- C. A teacher may suspend a pupil from one class period when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will permit, all further particulars of the incident. A conference will be arranged with the parents of said student if deemed advisable by the teacher and the principal.
- D. Suspension of students from school may be imposed by a principal or his/her designated representative. School authorities will endeavor to achieve correction of student behavior through counseling and interviews with the child and his/her parents and the teacher when warranted. - G. Time lost by a teacher in a legal proceeding where the teacher is a witness/defendant shall not be charged against the teacher provided that the teacher has acted within the scope of Board policy.

- H. The Board will reimburse teachers for damage or destruction of clothing or personal property of the teacher while on duty in the school or on school premises, except for such damages as covered by insurance, provided such damages do not occur from negligence.
- I. Parents are to be notified by the teacher or employee who institutes such discipline when a student will be retained after school. A written report will be forwarded to the parents and a copy retained in the student's file.

- D. No departure from these norms, except in case of emergency, shall be made without prior consultation with the Association. In the event of any disagreement between the representative of the Board and the Association as to the need and desirability of such deviation, the matter may be proceeded through the professional grievance procedure.
- E. All teachers shall be entitled to a duty-free uninterrupted lunch period of not less than thirty minutes.

SECTION 3.5 – CLASS SIZE AND TEACHING CONDITIONS

The Board and the Association recognize that optimum school facilities for both students and teachers are desirable to insure high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.

A. Because the pupil/teacher ratio is an important aspect of an effective educational program, the parties agree to recommend that the following class size should be a goal to strive for.

B. When a lower elementary class exceeds 30 students, it shall be divided and a new class formed.

When an upper elementary class exceeds 32 students, it shall be divided and a new class formed.

When an intermediate or secondary class exceeds 36 students, it shall be divided and a new class formed.

K – 3 30

4 – 6 32

7 – 12 36

C. All classroom teachers must provide a three-day detailed lesson plan, which contains general plans. This plan book will be either in the teacher’s classroom or the principal’s office.

D. If the class size is exceeded by more than two students due to mid-year layoffs, the elementary teacher will be paid \$7.00 per day that the class size is exceeded and secondary or elementary specials teachers will be paid \$1.00 per period after the third student. Payment shall be made at the end of each marking period.

E. Teachers shall be familiar with and abide by the contents of the Student Handbook, Board Policy, Teacher’s Handbook and any other official Board publications pertaining to the procedures of the school district as long as it does not conflict with the provisions of this agreement.

The administrator shall be responsible for providing a substitute teacher to assume the absent teacher’s class load.

G. Upon the request of the administration, each teacher shall attend no more than one staff meeting per month. Meetings shall be scheduled one week in advance; however, a meeting may be called at any time if an emergency arises. Staff meetings shall not be longer than one hour and shall be on a teaching day, immediately following school hours or preceding school hours. The District shall have the ability to ask staff to stay for one (1) additional meeting per month, up to forty-five (45) minutes in length, for PLC (Professional Learning Community).

H. All teachers, unless excused by the administration, shall attend each staff meeting.

SECTION 3.6 – LEAST RESTRICTIVE ENVIRONMENT

The Board and the Association acknowledge that the policy of least restrictive environment is legally mandated and intended in the best educational interest of the student. Accordingly the parties also recognize that the extent to which any individual student who would fit legal requirements which would involve the use of an Individual Educational Planning Committee (IEPC) for placement in the regular classroom must be appropriate to the student's unique needs as determined by an IEPC on an individual basis. For the purpose of this section, such students shall be referred to as "mainstreamed students."

- A. If any teacher, in writing, advises the administration of a reasonable basis to believe that a mainstreamed student assigned to the teacher has a current IEPC report that is not meeting the student's unique needs as required by law, the teacher shall discuss the matter with the administration and the IEPC scheduled.
- B. Except in life threatening or extenuating circumstances, no member shall be required to perform medical, hygienic or other non-instructional specialized procedures for or on mainstreamed students such as but not limited to: suction, catheterization, diapering, or attending to any personal hygienic or medical need(s) of the student(s). Any such extenuating circumstances shall be preceded by notification to the Association that such circumstances exist and provide an opportunity for the Association and the teacher(s) who may be affected to meet and discuss the issues involved and how best to meet the needs of the student, the regular classroom, the teacher and the school district.

In such situations it is expressly understood that should the teacher agree to provide such procedures or services, he/she shall be provided with training appropriate to the situation with all expenses paid by the Board.

SECTION 4.1 – PROFESSIONAL, PERSONAL AND ASSOCIATION LEAVE

- A. Two Professional development days may be used for any educational purpose, subject to administrative approval. The unused portion of such allowance shall accumulate from year to year to a maximum of one hundred eighty (180) days.
- B. A teacher who is unable to teach because of personal illness or disability and who has exhausted sick leave shall be granted a leave of absence without pay for the duration of such illness, up to one year, by the Board upon written request of the teacher. Additional time may be granted at the discretion of the Board upon written request.

 2. Serious illness within the immediate family of the teacher. (Immediate family shall mean mother, father, children, grandparents and anyone living in the contracted person's household).

Utilization of sick leave bank shall be for the same purposes as personal sick days found in section 4.3 so long as there are days remaining in the bank during any fiscal school year. The employer will provide reports on the status of the sick leave bank, including number of days remaining, to the association/union upon request. SECTION 5.1 – INSURANCE COVERAGE

A. Health Insurance

The Board shall provide to all full time bargaining unit members benefits for full family for 12 months of each year with a maximum Board contribution.

Part-time members hired after 01/01/2013 working 3.5 hrs or less are eligible for benefits with all Board contributions being prorated. This proration applies to the total monthly maximum the Board will contribute for Medical and Non-Medical Insurance as well as the cash in lieu amounts.

Example – A teacher working 3 hrs of a 6.5 hr day would be eligible for 3/6.5(46%) of the amount the Board would contribute to a full time member (46%X80%X medical premium).

Example – A teacher working 3 hrs of a 6.5 hr day and electing Plan B would be eligible for 3/6.5(46%) of the amount the Board would contribute to a full time member (46%X90%X monthly premium) and (46%X\$300 per month cash in lieu).

Example – A teacher working 3 hrs of a 6.5 hr day would be eligible for 3/6.5(46%) of the total monthly maximum amount the Board would contribute to a full time member for Medical and Non-Medical Insurance (46%X(FF \$1304, 2P \$1145, Single \$527)).

Wolverine Community Schools District will pay up to the following for medical insurance:

For 2021-2022: Full Family: \$1491.71 per month; Two Person: \$1198.70; Single: \$548.29

For 2022-2023: Full Family: \$1491.71 per month; Two Person: \$1198.70; Single: \$548.29

The Board will allow for the movement to the MESSA \$500/\$1000 plan.

At no time will the total Board contributions for Medical and Non-Medical Insurance exceed the above referenced monthly maximums of:

For 2021-2022: Full Family: \$1491.71 per month; Two Person: \$1198.70; Single: \$548.29

For 2022-2023: Full Family: \$1491.71 per month; Two Person: \$1198.70; Single: \$548.29

Non-Medical Insurance: The Board will provide coverage equal to the following; MESSA/Delta Dental 65/65/65 \$1000 annual max 2 cleanings, VSP 3 vision, Negotiated Life Insurance \$5000 & AD&D \$5000, MESSA Long Term Disability (66 2/3% Max Monthly Salary \$3700, \$2500 Max Monthly Income, 30 Calendar day modified fill waiting period, Alcohol/Drug & Mental/Nervous Same as any other illness, Freeze on Offsets).

Members electing Plan B coverage shall contribute 10% of the monthly premiums.

Plan B: For employee not electing MESSA health insurance:

- Negotiated LTD: Same as above
- Negotiated Life: \$5000 \$5000 AD&D
- Vision: Same as above
- Delta Dental: Same as above
- At the end of open enrollment, the cash in lieu amount will be determined based on teaching staff electing Pak B per the following scale:
 - Up to 6 = \$300 per month
 - 7-9 = \$400 per month
 - 10 & up = \$500 per month

Employees will be obligated to pay their portion of the appropriate health insurance premium amount through payroll deduction.

SECTION 5.2 – COMPENSATION

- A. The basic salaries of teachers covered by this agreement are set forth in Appendix B, which is attached to and incorporated in this agreement. Such salary schedule shall remain in effect during the designated period.
- B. All teachers may be given full credit on the salary schedule set forth in Section 6.1 for up to five years outside teaching experience in any school district accredited by a recognized accrediting agency. From one-half up to a full year shall be counted as a full year. This shall not be subject to the grievance procedure. For hard to fill positions, the Board or its representative may choose to place any newly hired teacher on any step within the salary schedule as long as that placement reflects teaching experience; union representation will be consulted before making such placement.
- C. The salary schedule is based upon the regular school calendar as set forth in section 6.1 and the normal pupil contact assignment as defined in this agreement.
- D. Teachers involved in voluntary extra-duty assignments as set forth in Section 5.3, which is attached to and incorporated in this agreement, shall be compensated in accordance with the provisions of this agreement. Upon request of a bargaining unit member, any compensation, which is for work other than the regular teaching pay (i.e., extra-curricular) shall be figured separately for tax purposes.
- E. After the district is provided an official transcript showing a teacher has earned enough credits to advance on the salary schedule prior to the first day of the semester, the increase will be retroactive to the beginning of the current semester.

- F. If a teacher shall teach more than the normal teaching load set forth in this Article he/she shall receive additional compensation at the rate of \$8.00 per hour. If a teacher shall substitute for another teacher he/she shall receive additional compensation at the rate of \$15 per hour.
- G. Each teacher hired before January 1, 2013 and who has accumulated a minimum of fifty (50) sick/personal business/professional days shall, upon retirement from employment in the system, receive partial pay for all sick days accumulated.

The amount of partial pay will be determined by figuring fifteen percent (15%) of 1/180th of that teacher's last annual salary multiplied by the total number of sick days/personal business accumulated and then multiplied by the appropriate following factor:

<u>Years Before 40 Years of Service</u>	<u>Factor</u>
10	3.0
9	2.8
8	2.6
7	2.4
6	2.2
5	2.0
4	1.8
3	1.6
2	1.4
1	1.2

For example, a teacher with 100 accumulated sick days/personal business days retires from the school system with thirty-five (35) years of service and is earning \$30,000 that year; therefore:

$$15\% \times \$30,000 / 180 \times 100 = \$2,500$$

$$\$2,500 \times (\text{the factor}) 2.0 = \$5,000$$

This is an option to 5.2(G) and persons are not compensated under both sections.

- H. Upon fifteen (15) years of service in the district, and with retirement and/or a voluntary resignation, a teacher who has accumulated a minimum of fifty (50) sick/personal business/professional days shall, upon voluntary resignation of employment in the system, receive partial pay for all sick/personal business days accumulated. The amount of partial pay will be determined by figuring 15% of the 1/180 of that teacher's last annual salary multiplied by the total number of sick/personal business days accumulated. For example, a teacher with a 100 accumulated sick/personal business/professional days leaves the school while earning \$30,000 per year, therefore, $15\% \times \$30,000 / 180 \times 100 = \$2,500$.
- I. Pay salary payment for additional hours of credit taken from a regionally accredited institution after securing permanent certification requirements will be made if hours were earned in subject matter or practices directly related to the field of education. The board will pay tuition for ~~those credits~~ no more than six (6) credits every five (5) years and up to \$380 per credit hour, including state approved CEU's taken to maintain a professional certificate, along with the license renewal fee, for the purposes of recertification.

J. Any teacher who teaches an independent studies course will receive compensation in the amount of \$225 per student per semester.

- B. Make-Up Snow Days. If, at any time during the life of this agreement, it becomes lawful to count as days of pupil instruction, days when pupil instruction is not provided due to conditions not within control of school authorities such as due to severe storms, fires, epidemics or health conditions, it is agreed that the following school closing provision shall be come immediately effective:

 - 2. To the extent that any other provision of the collective bargaining agreement, such as the school closing provision, school calendar or the like shall be inconsistent with the foregoing, such provision shall be null and void as to the extent of the inconsistency.
- C. Should a closing because of conditions not within the control of school authorities require the scheduling of additional days of student instruction because previously scheduled days could not be counted to meet the State minimum required, such additional days will be rescheduled as follows:
 - 1. One-half days of instruction (mornings) for each rescheduled day to commence at the conclusion of the scheduled school year unless an alternate agreement is mutually agreed upon by the W.E.A. and the Wolverine Board of Education.
